

We would like to keep K-LOVE on the air in our community because of its unique offerings. We like the family friendly music and commentaries. It offers us encouragement daily.

We feel if K-LOVE were to be displaced by an LPFM in our community, many would suffer. To think of our area being deprived of this resource is terrible. It offers hope to lots of people who have none.

Why would we want to lose something positive? There isn't anything offered in our area like K-LOVE. We know it can only help and benefit those who listen in.

Thank you for taking the time to listen to our concerns.
